Work Experience

Team Leader

HUNTER DOUGLAS

July 2017 to Present

<http://www.hunterdouglas.com>

- Ability to work in a fast-paced environment for 10-13 hour shifts 6 days a week
- Learned the six sigma techniques and 5s, implementing them day to day
- Proven to have a great influence and work ethic to the other team members
- Placed in a task force that was to help update the program user interface for the entire manufacturing plant using SAP Integration. Working directly with head software engineers for the company
- Lead and supervise around 20 employees that are running machines, and minor maintenance on heavy machinery

Soup Chef/dishwasher/prep Cook/line Cook/busser

CAFÉ ZUPAS

September 2015 to July 2017

<http://cafezupas.com/>

- Promoted from dish washer to line cook after 3 months of employment.
- Ability to work in a fast-paced environment

- Learned to work well as a team member for this successful startup company
- Reputation as one of the restaurant's cleanest and fastest employees. I consistently put forth my best effort; performing tasks efficiently and effectively.

Cashier/warehouse

SAVERS

July 2014 to April 2015

<https://www.savers.com/>

- Trusted with handling up to \$5,000 in cash transactions
- Responsible for reconciling receipts on a daily basis.
- Learned valuable customer service skills as a cashier
- Promoted to working in the warehouse at night, moving large quantities of inventory.

Maintenance and Front Desk

COMMUNITY ASSOCIATION MANAGEMENT (CCMC)

June 2013 to June 2014

<http://www.ccmcnet.com/>

- Successfully balanced working while attending and graduating from high school
- As my first job, I learned a great deal about job ethic, communication, and interaction with customers.
- Assigned to different areas of this 1,200 member clubhouse; including building repair, large pool equipment, cleaning, and front desk greeting and helping customers.
- Achieved employee of the Month award.

Education

Associate in Computer Science
